11th Annual Banquet For Life

We want to thank everyone who came out for our 11th Annual Banquet for Life on March 25th. It was one to remember! Mr. Mike Williams kept us laughing throughout his speech while inspiring the servant in all of us to do more! We were able to double our fundraising amount from last year, all because of all of you in our community and our gracious sponsors. We hope you enjoyed a delicious meal and were inspired to join our mission in not only changing lives but saving them!

Be Watching for our Baby Bottles at your local church. They are distributed on Mothers day and stay out thru Fathers day. This is one of our fundraisers for FWC and one of the ways you can give back in our community. You can change a life simply by filling a bottle with your loose change! We have people that fill them year round as well all you have to do is ask for them and we will supply you with them. The Free Women's Center depends on the communities help to provide for the families in need. You can help us make a difference, one bottle at a time.

LUKE 21:1-4, JESUS' ENTHUSIASM ABOUT GENEROSITY

Jesus looked up and saw the rich putting their gifts into the offering box, and he saw a poor widow put in two small copper coins. And he said, "Truly, I tell you, this poor widow has put in more than all of them. For they all contributed out of their abundance, but she out of her poverty put in all she had to live on."
